Company Profile:

We are experts in filming and producing content for the Boating industry. Citrus Pie Media has been the Gold Sponsor for the Boating BC conference 6 years in a row and have created the Spotlight on Success video series for them each year. As members of NMTA in Washington State, we created videos promoting for the Clean Boating Foundation, Fish Northwest, and the Seattle Boat Show. NMTA was successful in raising substantial funds for some of the sectors that were promoted in our campaign videos. For the last few years, Citrus Pie has had a strong presence at the Vancouver, Toronto and Seattle boat show, with our customer facing display videos. In addition, Citrus Pie has produced videos for the largest boat manufacturers, boat repair shops, marinas, boating apps, and recruitment videos, for both the boating and RV industries. Some of our clients include:

In addition, our president Laurent Goldstein has 30 years' experience as an active boater. His current boat is a 33ft Sea Ray Sundancer, and is being used for multiple shoots, which adds cinematic and realism value for our clients. 2 members of our videographer team are certified divers, and one them is also a boater, with a 25ft Jeanneau power boat.

Our passion for promoting and living the boating lifestyle, lead our production team into pitching our Boating on the Coast concept to various Television networks. We love it and want to share this beautiful place with the Canadian community. If anyone is interested in how they could be part of this project, please reach out to us.

We thank you for your consideration, and we wish you all the best.
